To Whom It May Concern:

Per your request, please find the hereto accompanied Limited Power of Attorney/Letter of Authorization in favor of United Consumer Advocacy Network, Inc. ("UCAN").

Please note that UCAN is *not* a debt management company for the above referenced individual. Rather, we are a consumer advocacy firm whose primary purpose is to watch and protect debtors' rights in the collection process.

While we recognize that there are many creditors/collectors that follow the law, there are a few bad apples in the bunch. To address those few "bad apples", we keep a keen eye on the state of debt collection. We earnestly believe in creating a balanced playing field in the world of credit, for both debtor and creditor alike.

The above referenced individual has taken responsibility for her debt situation. She has every intention to pay your company. Therefore, in light of the foregoing and in light of the fact that the above referenced individual is currently experiencing a significant financial hardship, we respectfully request that your company subsidize telephone communications with the above referenced individual so as to give her some time to work things out and have your company paid.

If you have any questions regarding anything relating to what we do, please feel free to contact us.

We thank you for your anticipated cooperation and have a great day.

Sincerely,

Julienne P.
